The meeting discussed the Missing/Wanted, Reported By, and Abductor screens and the following was suggested:

REPORTS

- Nothing new

SCREENS: Missing/Wanted/Runaway

- Change "Last Name" search field to function as a Last Name field, but also accept a single line "last name , first name" which would recognize the "," and automatically fill the "First Name" field. The "," will tell the program to accept a first name after the comma.
- Discussed the "Submit" button. Relocate to lower right.
- Discussed the additional Runaway Date. Add Runaway time.
- Discussed the Reported Date. Add Reported time.
- Discussed "As Of" date. Okay.
- Calendar date should default to today.
- Discussed Notes Section. Add a Notes section on Missing/Wanted screen. Display 2 lines, hold up to 10 lines.
- Last Seen location can be put in the Notes section.
- Add Cell Phone to the Reported By section.
- Add field to indicate Reported By Person or Phone.

- Question on whether to increase to 2 reported by lines.
- Abductor Screen:

    o Add Notes section to Abduction Screen.
    o Relationship should default to "Unknown"
    o Add vehicle info including license, year, model, make and color of car.
    o Add probable destination field.
    o Add Alias names.
    o Discussed increasing screen to allow for Multiple Abductors.

- Add Photograph Tab to include photo, date, and primary photo selection.
- Discussed whether we want to increase the number of SMATs on M/W screens.
- Discussed Adding Letter of Apprehension from the Juvenile History Screen
