REPORTS

- Nothing new

SCREENS: Missing/Wanted/Runaway

- "Reported By Time" to be a mandatory field displayed as yellow.
- Screens were shown with dummy data.
- APB field's use explained- It is an alpha numeric so anything can go in the APB field.
- "Additional Information" is a large scroll field shown in "ADDM/W", "Reported By", and "Abductor" Tabs.
- Abductor TAB was reorganized to have fields consistent (same order) with the Juvenile Tab
- Sections of data were separated for better readability
- Users confirmed that only one alias is needed when initially adding a juvenile in the Missing/Wanted screen
- Proposed functionality of Photograph tab (click to enlarge) was discussed and approved and should be ready for review by the next meeting.
- HYCF screen review is planned for August 28, 2008
