News Release No. 2008-49

NEW DESIGN FOR HAWAII STATE ID CARDS

(HONOLULU) Hawaii State ID cards issued on or after January 5, 2009 will have a new design. Additionally, Hawaii State ID cards for cardholders under the age of 21 will have a new vertical format.

The new cards will have a green border across the top, with the words "Hawaii Identification Card". An image of the State flag will appear in the upper left corner, and the letters USA will appear to the right of the flag.

The cardholder's height will be designated in inches, and weight will be designated by a weight-range code. The cardholder's emergency contact information, citizenship, and self-disclosed organ donor and advanced health care directive status will appear on the back of the card.

Cards issued before January 5, 2009 will continue to be valid until the expiration date printed on the card.
