**STATE AND HALEIWA FARMERS' MARKET MAKE PROGRESS IN FINDING NEW LOCATION**

HONOLULU – Attorney General David M. Louie announced today that the State will allow the Haleiwa Farmers' Market ("HFM") to remain at its present location for two more weeks, through June 10, 2012.

The State had previously provided HFM with an extension to operate until May 27, 2012. This additional extension to June 10<sup>th</sup> is being provided because HFM has been making progress in finding and moving to a new location. The State wants to facilitate that move by providing this further extension.
