**What is our job?**

Discourage CRYSTAL METH (or illegal drugs) use STATEWIDE by reminding LANDLORDS that it's THEIR RESPONSIBILITY to PROHIBIT illegal activity on their PROPERTIES<sup>1</sup>

**How are we going to do it?**

Working with police, prosecutors and the community, we will identify the MOST SERIOUS landlord offenders. We will use every LEGAL means, including INJUNCTION<sup>2</sup> and FORFEITURE<sup>3</sup> to STOP illegal drug activity.

**How can you help?**

1. USE *TOUGH LOVE* if illegal drug use is found in YOUR family (IT NOT EASY but it MUST BE DONE! - we can offer suggestions)
2. BE INTOLERANT TO ICE ACTIVITY IN YOUR NEIGHBORHOOD. BE VOCAL and TAKE ACTION!
3. GET INVOLVED! Join your local community association. Be OUR EYES AND EARS and report observed ILLEGAL DRUG activity to the POLICE. Sign anti-drug NEIGHBORHOOD petitions or letters that are sent to PROPERTY OWNERS where drug dealers reside. Contact your local Councilperson, State Representative or State Senator and let them know what's going on.

**Reality Check**

It is IMPOSSIBLE for the Police and Prosecutors to RESOLVE the ICE PROBLEM alone! The ENTIRE community must WORK TOGETHER with law enforcement to STOP ICE.

Law enforcement has limitations regarding what it can or can't do. BE PATIENT and try to understand that the police must follow DUE PROCESS. The ILLEGAL DRUG problem didn't happen overnight. Expect the same amount of time it took for ICE to become a problem for it to be STOPPED.

**What can I do if I suspect someone is dealing drugs in my neighborhood?**

**Do not confront a suspected drug dealer or user.**

People under the influence of a narcotic can suffer from hallucination, paranoia, and other adverse reactions from drug uses.
