Continuous Recruitment Until Needs Are Met

Description: Position involves the full range of professional work required to conduct major criminal justice research projects, including project design, data collection and analysis, report preparation, and coordination of other individuals, groups, and agencies.

Requirements: Bachelor's degree from an accredited college or university which has included course work in statistics. At least one year of work experience which demonstrates the ability to compile, analyze, and present statistical data. Course work in criminology and/or criminal justice; work experience which demonstrates the ability to create, manage, or utilize complex statistical databases or records management systems; professional training and experience in the justice system; and proficiency with *IBM SPSS Statistics* software, *R* or *Python*, and *Microsoft Excel*, *Access*, and *SQL* are desired. Ability to write clearly and concisely and the possession of good interpersonal skills are required.

Your résumé should clearly show your employment dates and a complete description of duties and responsibilities in each of your positions.

Salary: \$67,344 annually, pending qualifications of applicant.

To apply: Send cover letter, résumé, salary requirements, and completed Application for Exempt Employment (download from <http://aq.hawaii.gov/employment>) to:

Department of the Attorney General
Crime Prevention and Justice Assistance Division
235 South Beretania Street, Suite 401
Honolulu, Hawaii 96813
(No phone calls, please)

COVID-19 Vaccination Requirement: As a condition of employment with the State of Hawai'i, each qualified candidate who has been given a conditional offer of employment must show proof of full COVID-19 vaccination and shall be fully vaccinated by his/her/their employment start date. A reasonable accommodation will be provided if requested by a candidate and it is determined through an interactive process that pregnancy, a qualifying disability, or a sincerely held religious belief prevents the candidate from receiving a COVID-19 vaccination.
