STATE OF HAWAII  
Recovery Act -- OVC FY 09 VOCA Victim Assistance Grant Application

**HI Certification of State Grantee Eligibility Requirements Statement**

The State of Hawaii certifies that it complies with and will comply with the requirements of Part II, State Grantee Eligibility Requirements, **and will** require subgrantee compliance with Part IV, Subgrantee Eligibility Requirements. These include the following:

- Victim Assistance grant funds will be used only to provide services to victims of crime, except for a maximum of 5 percent that may be used for administration and training.
- Victim assistance grants and administrative funds will not be used to supplant state and local public funds that would otherwise be available for crime victim services.
- A minimum of 40 percent of the total grant will be awarded by giving 10 percent to each of 4 categories of crime victims: sexual assault, domestic violence, child abuse, and underserved. Underserved victims are designated by type of crime and are determined by the state grantee. This requirement may be waived if the state grantee can document to OVC the following:
  - A category of crime victims is currently receiving a significant amount of financial assistance from the state or other funding sources.
  - A smaller amount of financial assistance, or no assistance, is needed in the VOCA victim assistance grant program.
  - Crime rates have diminished for the particular type of crime.
- Fund accounting, auditing, and other records as necessary will be maintained to assure fiscal control, proper fund management, and efficient disbursement of funds received under the VOCA victim assistance program.
- The civil rights contact person for the Department of the Attorney General, State of Hawaii is David Moore, Administrative Services Officer. His address is 425 Queen Street, 3<sup>rd</sup> Floor; Honolulu, Hawaii 96813. His telephone number is (808) 586-1233. Mr. Moore will be responsible for ensuring that all applicable civil rights requirements are met and will act as liaison in civil rights matters with the Office of Justice Programs, Office of Civil Rights.
- No person on the grounds of race, color, religion, national origin, disability, or sex shall be excluded from participating in, or be denied the benefits of, or be

subjected to discrimination under, or be denied employment in any undertaking funded in whole or in part with VOCA victim assistance grant funds.

- Required programmatic and financial reports will be submitted on the use of VOCA victim assistance funds by OVC deadlines.
- OVC and the cognizant agency will promptly be notified of any illegal acts or irregularities and of proposed and actual actions, if any. Illegal acts and irregularities include conflicts of interest, falsification of records or reports, and misappropriation of funds or other assets.
- Hawaii, the State Grantee, and its subgrantees will comply with the applicable provisions of the *VOCA Final Program Guidelines VOCA FFY 1997 Victim Assistance Program*.
- Hawaii will assist OVC in implementing its responsibilities under the National Historic Preservation Act (NHPA). Specifically, the State will establish and maintain records when reviewing and considering any request for use of grant funds that involve proposed renovation work. Renovation work includes altering or otherwise improving the exterior or interior of a structure. This applies to proposed renovation work that is not only specifically funded with OVC victim assistance grant funds, but this requirement also applies if funded by the State or any third party as a prerequisite to accommodate the proposed use of the grant funds. The State certifies to OVC that it will establish and maintain records of any proposed renovation work on a structure that is less than 50 years old or 50 years and older. If the structure is determined to be less than 50 years old and this fact is documented in the grant file, no further action is required. If any portion of the structure is 50 years or older, the State will contact the State Compensation and Assistance Division Director at 202-307-5983 to provide information needed for the NHPA consultation process. This may include assisting OVC to consult with the State Historic Preservation Officer and amending the proposed renovation work to avoid any potential adverse impact to the historic structure. The State assures not to fund any proposed renovation of a structure 50 years or older until the State has received written approval from OVC.

STATE OF HAWAII  
Recovery Act -- OVC FY 09 VOCA Victim Assistance Grant Application

**HI Description of Plan for the Collection of the Data Required for Performance Measures**

In general the Department's subgrant to agencies includes a narrative describing the problem statement, goals and objectives, activities, performance measures, and budget. Agencies submit progress and fiscal reports to the Department. Both the narrative and budget contain information regarding the positions that are funded. The narrative also describes the programs and partnerships that are part of the funded project.

Specific to Recovery Act awards, funded agencies will be required to report on a quarterly basis, by the last day of the quarterly reporting period:

- The number of existing jobs retained as a result of Recovery Act funding
- The number of new jobs created as a result of Recovery Act funding
- The number of new programs with uninterrupted service to victims as a result of Recovery Act funding (by type of program)
- The number of programs that were reinstated to provide services to victims as a result of Recovery Act funding (by type of program)
- The number of new partnerships established as a result of Recovery Act funding
- The number of partnerships continued as a result of Recovery Act funding.

A standard reporting form will be created for use by all funded agencies. This will ensure that information is uniformly collected and easily compiled. (However, if a Federal form is created that serves this purpose, that form may be used at the subgrantee level.)
