JUVENILE JUSTICE INFORMATION SYSTEM

OFFENSE CATEGORIES

The major offense categories for this report are organized into seven groups. Each major offense category is comprised of related types of delinquency. The seven major categories and their respective delinquency offenses are listed below, along with a narrative description. The specific offenses within each major category are listed in order of severity, with the most severe being the highest ranked within each major category. Thus, those offenses are reported under the seven major offense categories (person, sex, drug, weapons/intimidation, property, status, and other):

Person Offenses: Person offenses include offenses that involve detrimental physical contact acted upon a victim by the offender.

Homicide (*e.g.*, murder, negligent homicide).

Assault 1 or 2 offenses occur when there is “serious” or “substantial” bodily injury intentionally or knowingly inflicted on another person, respectively. [Starting in 2007, a criminal offense involving a person intentionally (or) knowingly causing bodily injury to any emergency medical services personnel who is engaged in the performance of duty would be charged with assault in the second degree. Starting in 2003, a criminal offense involving assault of a police officer or educational worker who is engaged in the performance of his/her duties was deemed a class C felony, or assault in the second degree]. They are both felony offenses and have been combined for this report.

Kidnapping occurs when a person intentionally or knowingly restrains another person with intent to use that person as a shield or hostage, inflict bodily injury upon that person or subject that person to a sexual offense, or terrorize that person.

Robbery includes acts in which a person uses force against another person with the intent to overcome that person’s physical resistance (or threatens to do so) in the course of committing theft.

Abuse of Family Member includes offenses for which any person physically abuses a family or household member.

Assault 3 includes offenses in which a person intentionally, knowingly, or recklessly causes bodily injury to another person, or does so negligently with a dangerous instrument. This is a misdemeanor offense.

Sex Offenses: Sex offenses are violent/person offenses (categorized separately for this report from the previous category of “Person Offenses”).

Sexual Assault 1 or 2 occurs when a person knowingly subjects another person to an act of sexual penetration by strong compulsion. They are both felony offenses and have been combined for this report.

Sexual Assault 3 occurs when a person recklessly subjects another person to sexual contact by compulsion or causes another person to have sexual contact with the person by compulsion, and is a misdemeanor offense.

Prostitution includes offenses for which a person engaged in, or agreed to engage in, sexual conduct with another person for a fee.

Open Lewdness includes offenses in which a person performed any lewd act which is likely to be

observed by others who would be affronted or alarmed.
