OFFENSE CATEGORIES

The major offense categories for this report are organized into seven groups. Each major offense category is comprised of related types of delinquency. The specific offenses within each major category are listed in order of severity, with the most severe being the highest ranked within each major category. Thus, those offenses are reported under the seven major offense categories (person, sex, drug, weapons/intimidation, property, status, and other):

Starting in 2003, a criminal offense involving assault of a police officer or educational worker who is engaged in the performance of his/her duties was deemed a class C felony, or assault in the second degree]. They are both felony offenses and have been combined for this report.
