

AN INTRODUCTION TO **FGM/C** FOR SOCIAL AND VICTIM SERVICE PROVIDERS

January 31, 2024
3:00pm- 4:30pm EST

Who should attend?

Social and victim service providers from organizations like domestic and sexual violence providers, child welfare agencies, immigrant services, and more!

Social and victim service providers play an important role in responding to the needs of people who have experienced female genital mutilation/cutting (FGM/C).

This training will provide introductory knowledge of FGM/C and how to serve people who have experienced FGM/C. Attendees will learn core principles of care for people who have experienced FGM/C, and cultural considerations when working to prevent and address this issue. It will also include an overview of available resources and tools that providers can use in their work.
