GOV. MSG. NO. 1214

The Honorable Ronald D. Kouchi,
President
and Members of the Senate
Twenty-Ninth State Legislature
State Capitol, Room 409
Honolulu, Hawai'i 96813

The Honorable Scott K. Saiki,
Speaker and Members of the
House of Representatives
Twenty-Ninth State Legislature
State Capitol, Room 431
Honolulu, Hawai'i 96813

Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

This is to inform you that on July 5, 2018, the following bill was signed into law:

HB2131 HD1 SD2 CD1

RELATING TO SEXUAL ASSAULT
ACT 113 (18)

Sincerely,

DAVID Y. IGE
Governor, State of Hawai'i

A BILL FOR AN ACT

RELATING TO SEXUAL ASSAULT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that deoxyribonucleic
2 acid (DNA) evidence is a powerful law enforcement tool that can
3 identify unknown suspects, connect crimes to known perpetrators,
4 and exonerate the innocent. The legislature further finds that
5 establishing standard and efficient sexual assault evidence
6 collection kit handling procedures and a statewide tracking
7 system would ensure that victims of sexual assault receive
8 accurate information that enables them to take steps to protect
9 their rights, and prevent the misplacement of kits, delays in
10 testing, and destruction of evidence.

11 It is the intent of the legislature that sexual assault
12 evidence collection kits are tested in a timely manner to
13 enhance public safety by protecting sexual assault survivors,
14 exonerating the innocent, and holding offenders accountable.

15 The purpose of this Act is to address the manner in which
16 sexual assault evidence collection kits are processed and
17 tracked and to ensure that victims of sexual assault are
18 informed of their rights under the law.

1 SECTION 2. The Hawaii Revised Statutes is amended by
2 adding a new chapter to title 38 to be appropriately designated
