The auction is the result of ongoing efforts by state and county law enforcement agencies to fight crime by seizing and forfeiting assets used or acquired in connection with criminal activities. Assets that were used in, or obtained from, the commission of certain criminal offenses can be seized and forfeited under the state's asset forfeiture

law. Taking away the tools criminals use to commit crimes and the profits from those crimes is one way to deter and impede criminal conduct. Proceeds from this auction will be used by state and county law enforcement agencies to combat crime.

Employees (and their immediate family members) of county police departments, county prosecuting attorney's offices, and the Department of the Attorney General are not eligible to purchase forfeited property.

Anyone having information about individuals who are profiting from criminal activity should call the Crime Stoppers hotline at 955-8300.
