

# Annual Report on Licenses to Carry

Department of the Attorney General

April 1, 2024

Hawaii Revised Statutes (HRS) Section 134-9.6 Annual report on licenses to carry (firearms) states that (a) no later than April 1, 2024, and April 1 of each year thereafter, the Department of the Attorney General shall publish a report on its publicly available website that includes, if available:

- (1) The number of licenses to carry applied for, issued, revoked, and denied, further categorized by the age, gender, race, and county of residence of each applicant or licensee;
- (2) The specific reasons for each revocation and denial;
- (3) Analysis of denials based on applicants' failure to meet the standards of section 134-9(d), and recommendations to remedy any disparities in denial rates by age, gender, or race;
- (4) The number of appeals and appeals granted; and
- (5) The number of violations of section 134-9.1<sup>1</sup>.

This report covers January 1, 2023 to December 31, 2023 and includes information provided by the Honolulu Police Department, Maui Police Department, Hawaii Police Department, and Kauai Police Department. HRS Section 134-9.6 was enacted by Act 52 (SLH 2023) with an effective date of July 1, 2023.

This report does not include information requested by HRS Section 134-9.6 (a)(2) to (5) as the information is not available or difficult to obtain. The Department has submitted a bill (HB 2351, HD 1, SD 1, Relating to Firearms Reporting) to the 2024 State Legislature to amend HRS Section 134-9.6 to allow the Department time to complete the report with its existing resources and give county police departments more time to provide reportable data that does not include the analysis of narrative records.

The survey questions below and the respective responses from the police departments provide the context to the charts on the Number and Percent of Applications for License to Carry on pages 2 and 3.
